Research Grants and Consultation (selected)

2004 Co-Principal Investigator (with Dr. J. Steven Picou and Dr. Cherie Geiger) National Science Foundation's Human and Social Dynamics Program. "The Effects of Toxic Exposure and Risk Perceptions on Physical Health and Psychological Well-being." Submitted April 1, 2004, Amount: \$681,944. Status pending.

1999-2000

Co-Principal Investigator (with Dr. Robert E. Jones). "Citizen Participation and the Watershed Approach: The Case of the Norris Reservoir Strategy." A \$24,000 grant funded by the Waste Management Research and Education Institute, a state sponsored Center of Excellence at the University of Tennessee. Received.

1999

Co-Principal Investigator (with Dr. Robert E. Jones). "First and Beaver Creek Watershed Survey: Results of a Telephone Survey of Watershed Residents." A report conducted by the Department of Sociology in affiliation with the Water Resources Program and the Human Dimensions Laboratory, University of Tennessee. Assisted with survey design and implementation. Responsible for data analysis and writing the report. Received.

1996

Research Consultant. "Second Creek Restoration Demonstration Project: Knoxville, Tennessee." A subcontract with the Water Resources Research Center, University of Tennessee and the Second Creek Task Force. Funded by the Tennessee Department of Environment and Conservation, Nonpoint Source Pollution Program (Project Funding, \$75,000). Defined population and sample. Supervised data collection and analysis. Principal Investigator: Timothy Gangaware.

Professional Experience and Academic Appointments

2003-present

Editorial Board Member, *Sociological Practice: A Journal of Clinical and Applied Sociology*, a journal of the Sociological Practice Association.

2002-present

Participating Faculty Member, Piedmont-South Atlantic Coast, Cooperative Ecosystem Studies Unit (CESU). The purpose of CESUs is to establish effective partnerships among federal natural resource agencies and universities in an effort to implement ecosystem management approaches.

2000-present

Assistant Professor. Department of Sociology and Anthropology, University of Central Florida, Orlando. Tenure track position.
